Know WHAT to Say and HOW to Say It

## Meet Maria

Maria Lynn Johnson is a widely known expert on speaking with purpose, presence, and power. An executive coach, bestselling author, and seasoned corporate trainer, she enlightens audiences on the power that is already at their fingertips, just waiting to be tapped.

With over 20 years of leadership in Fortune 500 companies, Maria brings real-life experience around how to use powerful language, presentation skills, and body language to tip the scales in our favor. And she does it in a relatable and humorous way. Your group will actively learn new ways to connect with themselves and others, speak with impact, and play at their highest level.

## Talk Descriptions

*Programs customizable and available as Keynote or Breakout*

### **Speak Like A Pro and Watch Your Business Grow**

This talk is designed for sales and marketing professionals, business owners, association leaders, seasoned experts, and entrepreneurs to gain that elusive extra edge. Audiences learn the what, why, and how to speaking with impact – the most important skill needed to market, sell, and grow a practice or portfolio. This talk provides the secrets to engage an audience of 1 or 100 with confidence and credibility, and then move them to inspired action.

### **Informed, Intelligent Networking**

This program helps business professionals build, maintain, and leverage their network, which is the golden goose for continued advancement. Effective networking is simply having the right conversations with the right people. Your audience members will learn how to introduce themselves and mingle in a way that is likeable, builds trust, and takes smart action. They will understand how to develop the language, mindset and techniques that build rapport, as well as informed action on those connections.

### **Show Up and Shine: How to Build Leadership Presence that Pops**

In this session designed for leaders, audiences gain insight into the special sauce that can propel them forward. They will learn how to speak, carry themselves, and influence others so they can move ahead in their business or career. Connect with stakeholders, prospects, or colleagues in a way that is professional but approachable, credible but relatable, and confident but not arrogant. They leave knowing how to use body language, power dynamic, and savvy speaking to move to higher levels of success.

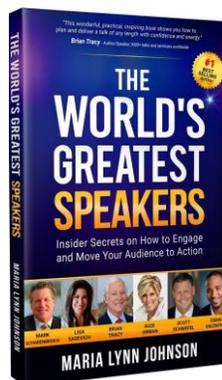

## What People Are Saying

I've been all over the U.S. speaking, where I was the expert. So, I came in today thinking I knew pretty much everything I needed to know about speaking. I was surprised because what I learned today was absolutely invaluable and it has completely changed how I was thinking about approaching the future. I got tremendous value out of this presentation. It was outstanding and I'm very grateful for what she had to offer.

**Bob Misenko, VP National Sales  
AIG United Guaranty**

My company was lucky enough to have Maria present at our event for entrepreneurs. She blew away the audience with her program! She was engaging and warm and her information was practical and innovative. She was professional, always prepared, and an absolute joy to work with. I highly recommend her as a speaker for your event. You'll be delighted.
